

Notes from OOCCL Meeting

Monday, February 13, 2006

Submitted by Rhonda Turner, Kessler Plaza OOCCL Rep

1. Committee is forming to revise bylaws—they are old and outdated.
2. Efforts will be made to expand the League further south to include more neighborhoods. Also to get the umbrella 501.C so that neighborhoods that are "under" the League will also be considered 501.C.
3. Grant activities will begin in April and will be finalized in May. This committee is also forming.
4. The dues for being a League member will be reduced to attempt to attract more members. The new rates are \$10 for seniors and \$20 for regular membership. Household membership will remain at \$50 which includes 2 free home tour tickets. Business membership and League Patron will remain the same.
5. The meeting members voted to get rid of the "Old" in the League name and be called the Oak Cliff Conservation League. This will help in our new efforts to attract more neighborhoods and members.
6. We will pursue the Turner House as our new meeting place. The group believed it was a good idea to support the facility and to get a bigger, stable meeting place.
7. The Guardian Angels are assisting with the fight against graffiti and looking for volunteers. Contact Rafeal (214-734-5052) or Susan Lee (214-943-2962 or susuielee@flash.net)
8. Garage sale—April 1 Stevens Park and Stevens Park Estates.
